### MILKING COMPETITION

Competition is open to any goat registered or recorded in ADGA, AGS, or CGS. Does must be identified by tattoos which are to be checked against their registration papers.

**No milking machines allowed.** Competing does are not to be fed milk, thyroprotein or any tonic or condition powder which states on the label that it will increase milk production.

All does will be milked out at 8:00 pm Friday evening, August 8th in the show ring, at which time tattoos might be checked against the registration papers. Does will then be milked Saturday morning at 8:00 am in the show ring and milk weighed and placement of goats will be based on the amount of milk yielded at this time. Does do not have to be shown in the open show.
